
1970-71 CENTENARY COLLEGE BASKETBALL

ABOUT THE DOME

Centenary's new geodesic dome, a striking architectural masterpiece, is scheduled to become the new home of the Gents around mid-season, launching a new era in the school's athletic history.

The multi-purpose facility, being constructed at a cost of $1.3 million plus equipment, is the largest structure of its kind in the United States, and is matched in size only by one building each in France and Holland.

With a seating capacity of 4,500, including cushioned armchairs on the upper level and bleachers encircling the court, the dome will provide the Gentlemen a home base seldom equalled by schools the size of Centenary.

Unique features of the structure include a Tartan floor—the latest in synthetic gymnasium flooring, indirect lighting and the attractive gold anodized aluminum dome.

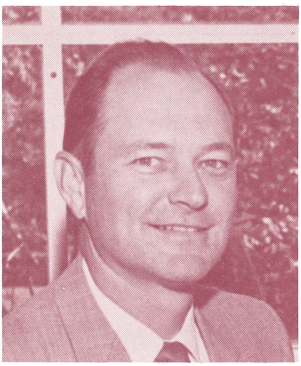
The completely air-conditioned facility contains office space for the athletic and physical education departments, four classrooms, including one of the theater variety, and four large dressing rooms.

The upper level seats will be mounted on a folding platform that will reverse-fold to make room for a badminton court. Like the building itself, the basketball court will be a multi-purpose area, easily convertible into two cross-court basketball courts, or eight volleyball courts, or 16 badminton courts.

At the east end of the building will be two championship handball courts, complete with spectator windows.

The dome, as yet unnamed, was designed by the Shreveport architectural firm of Somdal-Smitherman-Sorensen-Sherman and Associates. Whitaker Construction Company of Shreveport is the contractor, while the Temcor Company of California erected the gold-colored dome.

A WELCOME FROM OUR PRESIDENT



Dr. John Horton Allen

During its 145 years of education to Louisiana and the nation, Centenary College has built an enviable record of fierce competition and sportsmanship in athletics. The entire college takes great pride in this record, and the faculty, staff and student body join me in extending this welcome and in hoping that your visit will be a memorable one.

This season the college also is extremely proud of its new domed gymnasium — soon to become the new home of the Gents. We of the staff, faculty and student body sincerely hope that you, our visitors and guests, will enjoy your stay on our campus.

We are grateful for the high esteem in which the City of Shreveport has placed Centenary College, and we covet the continued high regard and support of the community and the communications media.

A BRIEF LOOK AT OUR PRESIDENT

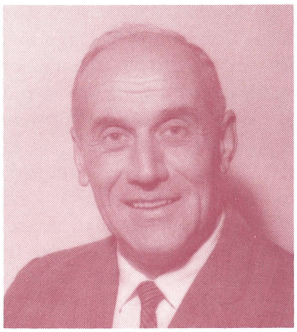
Dr. John Horton Allen, a native of Homer, La., is now in his second year as president of Centenary College.

Dr. Allen graduated from Homer High School in 1940 and attended Northwestern State College at Natchitoches for two years before entering the U. S. Air Force. In 1949 he received his B.A. degree with honors from Southeastern Louisiana College at Hammond. He received his master's degree from Louisiana State University and his doctorate from Penn State University, where he served in 1952-53 as an instructor in the Department of Rural Sociology.

He went to the University of Southern Mississippi in 1953 as an assistant professor and associate professor of sociology and anthropology. After serving one year (1956) as associate professor of sociology and economics at Southeastern Louisiana, he returned to USM as Dean of the School of Arts and Sciences. In 1961 he was named Dean of USM, a post he held until the fall of 1969 when he came to Centenary.

Dr. Allen is married to the former Sidney Mitchell Gremillion of Shreveport, and they have two children, John Horton Allen Jr., 10, and Lisa Jane Allen, 8.

ORVIS SIGLER . . . Athletic Director



Orvis Sigler

Orvis Sigler, one of college basketball's best known coaches, is now in his third year as full-time Athletic Director at Centenary, a position he assumed in the summer of 1968.

During his 15 years of coaching, Sigler posted a record of 175 wins and 190 losses, including 122 victories and 135 defeats at the helm of the Gents for 10 seasons. His best seasons at Centenary were a 16-8 mark in 1963-64 and a 17-9 showing in 1961-62 when his band of sophomores and juniors—Stan McAfoos, Cecil Upshaw, Jimmy Williams, Riley Wallace (now assistant coach) and Don Ensley—narrowly missed a bid to the NCAA tournament.

A 1948 graduate of Southwest Missouri State College where he received a B.S. degree in education, Sigler spent five years as a high school coach before returning to his alma mater as assistant basketball coach and graduate manager of athletics.

His first college job as a head coach came in 1953 when he became basketball coach at Missouri Valley College, where he also served as assistant football mentor.

In 1954 he began a four-year stint as head basketball coach at the U. S. Military Academy at West Point. He moved to Centenary as head coach in the fall of 1958.

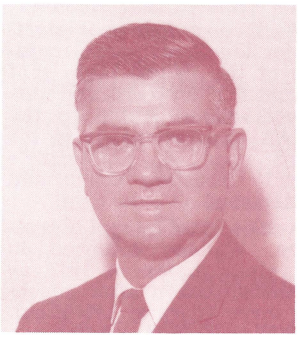
Sigler is the father of two daughters, Susan and Sally, and a son, Steve.

ED PETTIS . . . Sports Information Director

Ed Pettis, wire editor for The Shreveport Journal, will serve as sports information director for the Gents this season. A native of North Louisiana, Pettis has been a resident of the Shreveport area since 1964 and has covered news and sports across the northern half of the state for the past nine years.

Ed Pettis

JOE SWANK . . . Head Coach



Joe Swank

Joe Swank, now in his third year as the Gents' head coach, faces a difficult schedule this year, but has seven lettermen and an impressive array of sophomores battling for starting berths.

After posting records of 9-18 and 8-16 in his first two seasons, Swank is hoping his largest roster yet at Centenary can produce a winning record—despite playing such opponents as Long Beach State, Oklahoma City University and the University of Houston.

Faced once again without a big man, Swank will be forced to employ a deliberate, pattern offense.

Swank came to Centenary in 1968 after eight seasons at Tulsa University where he once was "Coach of the Year" in the tough Missouri Valley Conference. During those eight years as varsity mentor, he compiled a record of 102 wins and 103 defeats, including 87 victories in his last six seasons at the helm.

Swank was a basketball, football and baseball letterman at Muskogee, Okla., high school. After graduating from high school he joined the U. S. Air Force in 1942, winning three bronze stars as a combat pilot.

His first basketball coaching position came in 1947 at Muskogee Junior College. After attending Northeastern State College in Tahlequah, Okla., for a year, he returned to Muskogee as basketball coach.

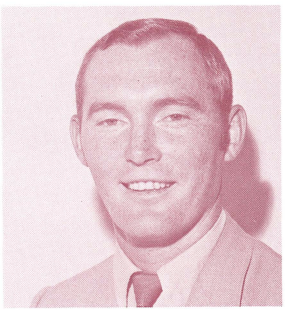
In 1949 he went to Tulsa as Clarence Iba's chief assistant. In 11 years as freshman mentor prior to becoming head coach, his teams finished below .500 only once.

JOE SWANK'S RECORD

Year	School	Won	Lost	Pct.
1960	Tulsa	8	17	.320
1961	Tulsa	7	19	.269
1962	Tulsa	17	8	.680
1963	Tulsa	10	15	.400
1964	Tulsa	14	11	.560
1965	Tulsa	16	13	.555
1966	Tulsa	19	8	.703
1967	Tulsa	11	12	.478
1968	Centenary	9	18	.333
1969	Centenary	8	16	.333
TOTALS		119	137	.465

ATHLETIC STAFF

RILEY WALLACE . . . Assistant Coach



Riley Wallace

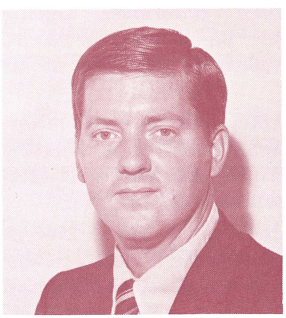
Wallace, a four-year starter for the Gents and a member of the 1961-62 team that posted a 17-9 record and narrowly missed a bid to the NCAA tournament, is in his third year as Centenary's varsity assistant coach and chief scout.

A 1964 graduate of Centenary, Wallace returned to his alma mater in 1967 as freshman coach after coaching three years at Litchfield, Ill., High School.

In 1964 he served as assistant freshman coach at Centenary while completing work for his B.S. degree. He earned his master's degree in 1968 at the University of Illinois.

His wife Joan also is a graduate of Centenary.

LARRY LITTLE . . . Freshman Coach



Larry Little

Little, a 1962 graduate of Illinois State University, has been at Centenary since 1968, coaching both the Gentlets and the varsity baseball team.

Prior to joining the Centenary staff, he coached five years at Litchfield, Ill., High School, posting a record of 76-49, and also at Winston Churchill Junior College in Pontiac, Mich.

Little received his master's degree from the University of Illinois in 1966.

JAMES RILEY . . . Trainer

James Riley

Riley, a graduate of Wentworth Military Academy who calls Eureka, Ill., home, is now in his third season as athletic trainer at Centenary.

The son of a physician, he is in his fifth year as a professional trainer, and has had experience with two major league baseball teams—the St. Louis Cardinals and the Chicago Cubs — and seven professional football teams—the Green Bay Packers, New York Jets, Minnesota Vikings, New Orleans Saints, Houston Oilers, St. Louis Cardinals and Dallas Cowboys.

OUTLOOK FOR 1970-71

Confronted with a typically demanding Centenary schedule that includes such perennial powers as the University of Houston, Oklahoma City University and Long Beach State, the Gents will have to come up with several superlative efforts to post a winning record.

Head Coach Joe Swank has two big scoring threats in Marshall Crawford and Fred Zitar, both set for duty at forward this year, back from last season.

However, he is faced with such problems as a lack of height, speed and bench experience.

PERSONNEL SUMMARY

GRADUATION: Gone from last year are Jesse Marshall, top scorer and second leading rebounder in 1969-70, and Lee Mansell, top playmaker and fourth leading scorer.

EXPERIENCE: With seven lettermen back, including two of last year's top three scorers—Marshall Crawford and Fred Zitar— and the top rebounder—Zitar—experience should be one of the Gents' strong suits.

HEIGHT: Short by major college standards, the Gents must rely on three 6-7 men—Zitar, Tamek Stremel and Allen Dean—and 6-6 sophomore John Murphy for rebounding strength and inside scoring punch.

OFFENSE: Short on height and speed, the Gents will have to depend heavily on a disciplined pattern offense, but will fast break when the opportunity arises.

DEFENSE: The Gents allowed an average of 79.2 points per game last season, and will have to rely on hustle to make up for a lack of height.

SOPHOMORE HELP: Most likely starters among the eight sophomores on this year's roster are John Murphy, potentially one of the team's top rebounders, Melvin Russell, a slick ball handler and outside offensive threat, and Larry Davis, expected to provide strong bench strength at guard or forward.

OUR THANKS

The Centenary College Athletic Department wishes to express its deep appreciation to Mr. Don A. Raymond Jr., without whose generosity this brochure would have been impossible.

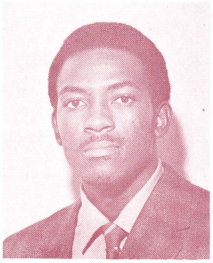
Compliments of

CADDO OIL COMPANY

MEET THE GENTS

MARSHALL CRAWFORD

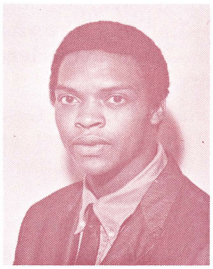
Forward — Senior — 6-2 — 185 — Brownsboro, Tex.



The Gents' second leading scorer and fourth top rebounder last season, Crawford is being asked to make the switch to forward this year. A fair jumper and a good shot, he should be able to make the transition, having played center in high school. Defense should improve at forward.

CLAUDELL LOFTON

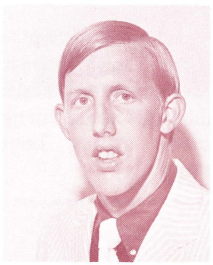
Guard — Junior — 6-1 — 165 — Minden, La.



Gained valuable experience appearing in all but two games as a sophomore, and should be a valuable asset in the Gents' backcourt. A good outside shot and ball handler, he has a good chance to start.

ALLEN DEAN

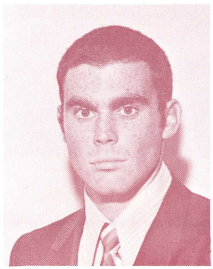
Forward — Senior — 6-7 — 200 — Downey, Calif.



Averaged over eight points a game at guard last season. At 6-7 Dean is one of the tallest Gents and is being moved to forward to take advantage of his height. Needs work on defense, but should see considerable action.

JEFF VICTOR

Guard — Junior — 6-3 — 175 — Santa Monica, Calif.

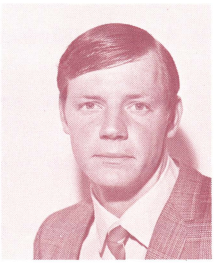


Missed most of last season with a broken foot, but is fully recovered and should see plenty of action this year. Strong suit is ball handling ability. Could develop into exceptional playmaker.

MEET THE GENTS

TAMEK STREMEL

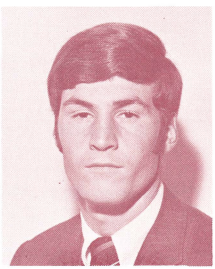
Center — Senior — 6-7 — 200 — Arcadia, Calif.



Outstanding on defense and a fair rebounder, but needs to improve on offense. Should provide needed help on the backboards. Possible starter.

DON LOUIS

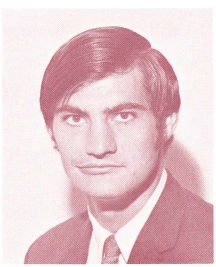
Forward — Senior — 6-5 — 190 — Dallas, Tex.



A hard worker and dedicated team man, Louis saw limited action last season. A good rebounder and excellent defensive player, he should log considerable playing time this year. Plans to coach after graduation.

RICK COURTNEY

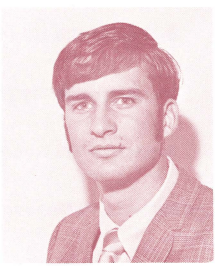
Forward — Senior — 6-4 — 200 — Baker, Fla.



Courtney, who played under former Gent Gerald Martello at Baker High School, appeared in 12 games as a junior. A fair shot, he should see more action this season.

FRED ZITAR

Forward — Senior — 6-7 — 195 — Downey, Calif.



The Gents' captain this season, Zitar is being counted on to take up the scoring and rebounding slack left by graduation of Jesse Marshall. An exceptional all-around player, he was the Gents' leading rebounder and third leading scorer last season. Field goal shooting percentage of .552 was second best in Centenary history.

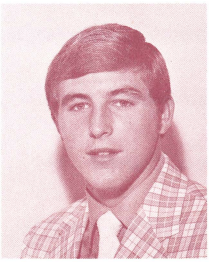
Shreveport, Louisiana	Captain Shreve High School
St. Monaca, Pennsylvania	Monaca High School

MEET THE GENTS

LARRY DAVIS

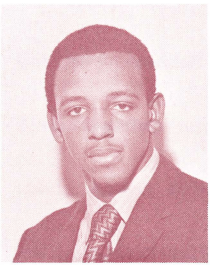
Guard — Sophomore — 6-3 — 190 — Shreveport, La.



One of five Shreveporters on the varsity roster, Davis was an all-stater for Woodlawn High School's 1968 state champions. A promising prospect, he could see action at guard or forward.

MELVIN RUSSELL

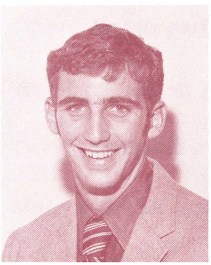
Guard — Sophomore — 6-0 — 180 — Shreveport, La.



One of the bright prospects in the Gents' future, Russell was a 1968 all-state choice at Woodlawn High School. Has good speed, is a good ball handler and excels on defense. Should see considerable action.

MIKE McGOVERN

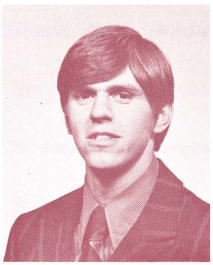
Guard — Sophomore — 6-2 — 165 — Shreveport, La.



A vital cog in Woodlawn High School's 1968 state championship, McGovern is a fair outside shot who should gain valuable experience this season.

ELTON ODOM

Forward — Sophomore — 6-5 — 190 — Shreveport, La.

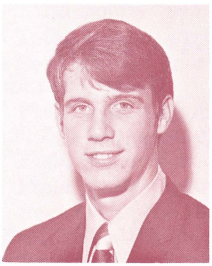


The top rebounder for Woodlawn High School in his senior year, Odom could see some action this year at forward and center. An offensive threat inside, he needs all-around improvement, which should come with experience.

MEET THE GENTS

JOHN HICKERSON

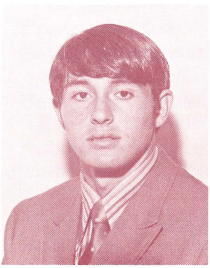
Forward — Sophomore — 6-4 — 180 — Bossier City, La.



A guard at Bossier High School, Hickerson will be employed as a forward. A bright prospect for the future, he could develop into a good all-around player with added weight, strength and experience.

BENNIE DEPRANG

Guard — Sophomore — 5-10 — 170 — Haughton, La.



A standout on Haughton High School's 1968 state championship team, DePrang is the shortest man on the Gents' roster. Possessor of good outside shooting ability, he also shows promise on defense. Needs work on playmaking to be an effective guard.

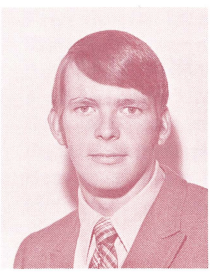
JOHN MURPHY

Center — Sophomore — 6-6 — 235 — Shreveport, La.

Biggest man on the team, Murphy is a good rebounder and strong inside scoring threat. Should see considerable action and, because of size and strength, is a possible starter.

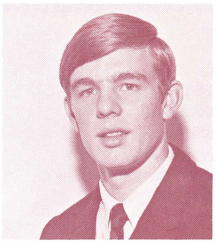
WYNN FONTENOT

Guard — Sophomore — 6-2 — 180 — Lafayette, La.



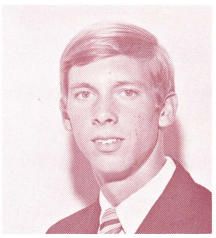
An exceptional outside shot, Fontenot should provide an offensive threat at guard. Needs work on playmaking and to develop more speed and quickness.

1970-71 FRESHMEN



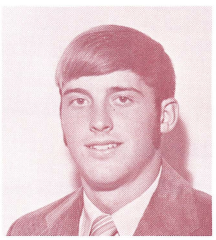
DAVE DEETS

Guard
6-1, 160
Collinsville, Ill.



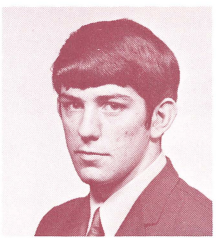
SHELBY HOUSTON

Guard
6-0, 150
Shreveport, La.



SCOTT POSEY

Guard
5-11, 175
Jerseyville, Ill.



DAN SPARROW

Forward
6-0, 185
Murrayville, Ill.
